

# LANGCLIFFE PARISH COUNCIL

## ACCESSIBILITY STATEMENT (WEBSITE) 2019

### Using the website

This website is run by Langcliffe Parish Council and we want as many people as possible to be able to use the site. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and Voice-over).

We have also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

We know some parts of this website aren't fully accessible:

- the text won't re flow in a single column when you change the size of the browser window
- you can't modify the line height or spacing of text
- most older PDF documents aren't fully accessible to screen reader software
- you can't skip to the main content when using screen reader

The Parish Council is continually working on these issues to improve the performance of its website, enabling access for all.

### What to do if you can't access parts of this website

If you need information on this website or have difficulty accessing any of the content contact the Parish Clerk – [clerk.langcliffepc@gmail.com](mailto:clerk.langcliffepc@gmail.com)

Langcliffe Parish Council would like their website to be available for everyone and continue to improve its accessibility, if you have a suggestion for improvement please contact the Clerk using the email address above.
